

We'd like to acknowledge a number of questions and concerns that members have raised following a recent email sent regarding changes to the RACGP's membership subscription categories.

We're committed to responding to member questions and concerns and this email will provide further detailed information about these changes. We've included a Frequently Asked Questions (FAQs) document answering member questions and our plans for upcoming member information webinars.

We don't always hit the mark for all our members with all of our communications. It can be a challenge to communicate in a way that meets the expectations of all our 40,000+ members. We're committed to continually improving the way we communicate with you, and we welcome your feedback.

In these FAQs – which you can find [here](#) – you will find information about:

- the financial performance and position of the College
- the plan the Board and management have put together to address the financial performance of the College
- the changes to the [membership subscription categories](#).

To give members an opportunity to engage with the Board and management about these important changes, we'll be holding webinars on:

- Wednesday 3 May 2023, 7.00 pm (AEST) | [Register here](#)
- Thursday 4 May 2023, 8.30 pm (AEST) | [Register here](#)
- Monday 8 May 2023, 7.30 pm (AEST) | [Register here](#)

The webinars will be recorded, so you can catch up if you are not able to attend live. You'll have the opportunity to submit your questions to us in advance via the registration form.

Best regards,

Lara Roeske
